ACEM News

1. Eric & Ping Huang (GO International)

Eric and Ping are thankful for God's provision. Please continue to pray for their ministries:

- Language Learning Ministry: As a bridge to connect the children and their parents, they have started the English & Chinese language classes in March, 4 days a week. After a few months, some children have learned some basic language skills. They have also taught them the attributes of God and some short Bible verses in English and Khmer.
 - Medical Clinic Ministry: They have recently purchased a tiny portable to use it as a clinic. Every day patients would come for examinations and treatments. Ping occasionally needed to visit the patient's home to provide medical help. She has also planned to give some health talks/workshops to the villagers who can learn more about health care.
 - Children Worship and Sunday School Services were started in May. On average, there are over 50 children aged 5 to 12 attending each week, even up to 100 at time.
- Ping's left thumb has been painful and unable to bend properly. She is worried about that she may suffered from rheumatoid arthritis. Eric's blood pressure is a little high; also his sleep is not good. Please pray for their health.
