ACEM

1. The ACEM conference was held on Nov 27. The following motions have been passed:
 - a) The 2023 ACEM General Budget.
 - b) The 2023 ACEM Missions Budget.
 - c) The General Fund contribution rate for 2023: 6.95%.
2. Bruce Luo (Partners International)

Bruce had a stroke and the subsequent cerebral bypass surgery 7 months ago, God has healed and led him through his recovery journey. After Bruce has been discharged from the rehab, he continued to receive physical therapy for 4 months. During this long and slow recovery journey, he managed to re-gain more strength by God's grace. He now can walk without assistance, ability to move body more freely, and improve his consciousness. The doctor has mentioned that his speech recovery is the slowest process; however, Bruce managed to say some simple words, sing a few verses of the songs, and even recite some Bible verses. That's amazing! God's healing power is at work. Please continue to pray for Bruce's health as he is still week and suffering from tinnitus. Pray for his family who has the perseverance to walk through the recovery journey with Bruce till he is fully restored, and back to the mission field.
