**ACEM:**

1. Eric and Ping (Cambodia, GO International)

Praise the Lord! Eric and Ping’s journey back to Canada has been filled with joy, peace, and thankfulness. They have recently undergone a series of medical examinations, and now Ping’s condition is more stable. Eric, however, detected cysts in his kidneys and spleen when he had a contrast CT at the end of July. Doctors have recommended monitoring this for the next 3 to 4 months, then taking another contrast CT to determine the next step.

However, they will have to return to Cambodia by the end of August, and Eric won’t be able to get the follow-up checks in Canada. May the Lord heal them and guide them to find medical support in Cambodia. Give them the strength to continue with His work!
